True Truths
Living consistently in the presence of God is critical to leading your generation to Jesus.
1. God is omnipresent
2. God’s omnipresence should effect our choices at home, church, school... everywhere.
3. We can live consistently in the presence of God through the work of the Holy Spirit.

“The Presence and the manifestation of the Presence are not the same.” (Tozer, “The Pursuit of God”) (Genesis 28:16)
“He is manifest only when and as we are aware of His presence. On our part there must be surrender to the Spirit of God, for His work it is to show us the Father and the Son. If we co-operate with Him in loving obedience God will manifest Himself to us, and that manifestation will be the difference between nominal Christian life and a life radiant with the light of His face.”

(Tozer, “The Pursuit of God.”)
Why is living in God’s presence is such a big deal?

1. It is the whole purpose of Christianity.

2. People are drawn to the presence of God not the idea of God.

3. You will be available for God to powerfully use.
1. If we want to see our generation come to Jesus, we must live consistently in the presence of God.

2. Surrender yourself daily to the Holy Spirit and ask for grace to walk in loving obedience.
