The pursuit of **knowing** God should be the greatest **objective** of our lives.
What does it mean to **pursue** God?

To actively seek to know God more intimately. (Exodus 33:11, 13, 18)

The way you live is the test which shows how well you know God.
We can zealously pursue God because He is revealing Himself to us.

1. Through the person of Jesus. (Hebrews 1:3)
2. Through the Bible
3. Through the Holy Spirit (1 Corinthians 2:12)
Beware of counterfeit knowledge.

1. Hearsay
2. Textualism
3. True, truths.
How can we zealously pursue God?

1. Come to God **humbly**!
2. Come to God **thirsty**!
3. Come to God **totally**!
